News from our ECO Group

Please come along to a workshop on biodiversity at **Old St Paul's Church, Edinburgh** on **Saturday 27th of May from 10am to 3pm.**

Rescheduled to Saturday 27 May, 2023

BIODIVERSITY MATTERS

A Workshop on Biodiversity
Suitable for ages 9 to 90!

Biodiversity is one of the most important issues of our time and it is now in crisis. To protect it we need to know about it.

We will work with our collective knowledge - for some that may be a lot and for others it may be a little - but the sharing should be fun and practical activities may help you think more deeply about this vital aspect of nature and our planet. Even if you already recognise that "biodiversity IS important and feel you are comfortable in your knowledge there is always more to learn and together it is easier to think of things that can be done to help fight this crisis.

£5 for the day (10:00am - 3:00pm; Coffee from 9:30am) includes lunch & tea/coffee
Venue: Old Saint Paul's Church Hall, 63 Jeffrey Street, Edinburgh EH1 1DH

We have crafts and knitting and hugs, and offer prayer. Have you got any more ideas for this year? If you are interested in being part of it, even for an hour or two, please email Julie admin@barclayviewofrth.org.uk. We will also encourage folk to come and picnic at the stall after church on Sunday as we did last year or buy something from one of the vendors.
